WROCLAW - EUROPEAN CAPITAL OF CULTURE 2016

The idea of European Capital of Culture is for Europeans to get to know each other, bring them closer together and to create possibility of international dialogue. ECOC to city of Wrocław was an 8 year long preparation, in which thousands of people took part, what resulted in around 400 projects and 1,000 cultural events related to eight fields of art: architecture, film, literature, music, theatre, opera, performance and visual arts. The most important events were concerts of Pink Floyd and David Gilmoura, at Plac Wolnosci, as well as the concert of the biggest European music hits at the Wrocław Stadium, entitled 'Singing Europe'.

WROCLAW GLOBAL FORUM 2010-2016

Wrocław was an annual host of international conference - Wrocław Global Forum over the period 2010-2016. The conference is always organised in one of the most dynamic cultural and entrepreneurial centres of Central Europe and aims to strengthen the voice of this part of Europe as a strong partner in transatlantic community and leader in global values. Transition of this region is an evidence of the transformative integration power of Euro-Atlantic integration and what can be achieved through constructive cooperation between USA and Europe. The Wrocław Global Forum was also an ideal event to perform Atlantic Council Freedom Awards, which honours extraordinary individuals and organisations that defend freedom around the world.
